

BOOSTER CLUB

2023-24 MEMBERSHIP DETAILS

The GBN Booster Club is the sole fundraising group supporting the Glenbrook North High School Athletic Department. With the guidance of the GBN Athletic Directors, we promote school spirit and fund athletic programs, facilities and equipment beyond the department's annual budget.

Throughout the school year we promote our athletic programs, teams and student athletes, sell SpartanWear apparel, promote positive athletic experiences that play a vital role in our children's development, and help enhance the enjoyment of GBN athletic experiences for the entire community. For more information about our mission, please visit gbnbooster.org.
